

EMPLOYEE INTERVIEW WITH TIES BOS

SENIOR BUSINESS CONSULTANT

TIES, COULD YOU BRIEFLY INTRODUCE YOURSELF?

I am Dutch, 58 years old. Trying to keep healthy by doing Volleyball and Skydiving next to my very interesting Job.

HOW LONG HAVE YOU BEEN WORKING AT IRIS?

I am working since 2013 for IRIS, but before that I worked for an end customer of IRIS. Meanwhile I have a good feeling of both sides of the table.

WHAT DOES YOUR JOB ENTAIL?

Working as a Business Consultant showing to potential new customers what our solutions

can do, or even do a proof of concept if the customer wants to be assured that what we promise is actually valid for their type of documents.

WHICH THREE WORDS BEST DESCRIBE YOU?

Enthusiastic, Creative, Technophile.

WHAT DO YOU LIKE MOST ABOUT YOUR JOB AT IRIS?

Everyday working for new customers, trying to understand what their needs are, and then trying to figure out how to use our solutions to fulfil their needs.

WHAT IS THE BEST LESSON YOU HAVE LEARNED IN YOUR CAREER SO FAR?

Its all about the people, having the best technical solution is just not enough.

WHAT IS THE MOST IMPORTANT PROJECT YOU WILL WORK ON THIS YEAR WITH YOUR TEAM?

I am working on a lot of different project, but the common challenge is to enhance the training and Learning capabilities

WHAT MOTIVATES YOU TO GET UP AND GO TO WORK EVERY DAY?

The everyday challenge to make something new or better and doing this together with colleagues and customers.

IF YOU COULD LEARN A NEW SKILL IN 10 MINUTES, WHAT WOULD IT BE?

AI technology. These days the customer expectation is that every system will have a high self-learning capability. It sounds very logic, but in practice it is always an interesting challenge looking at customer specific implementations, and I am not even talking about GDPR rules.

WHAT ARE YOUR EXPECTATIONS FOR THE NEXT 12 MONTHS?

The company is spending a lot of effort in moving technology from local server based to cloud-based solutions. I am expecting this to have a high impact on what my work will be. Looking forward to new challenges!
