- Process optimisation
- 213,000 customers throughout Europe

### DKV:

*The decision to go with friendWorks and IRIS was based on the superiority of the IRISXtract™ solution as an innovative, high efficiency product platform that is able to quickly process forms and purchase invoices. Thanks to the high degree of automation, we were able to distinctly optimise the processes in our company and achieve additional cost savings.*

**Volker Weber, Senior SAP Project Delivery Coordinator, DKV Mobility Group**

### FRIENDWORKS:

*It is impressive to see that such excellent read results are obtained even from highly demanding voucher documents. Manual data capture effort has been significantly reduced by the deployment of IRISXtract™.*
